

## **MID LAKE PROTECTION & MANAGEMENT MEETING**

Mid Lake Protection and Management District Commissioner Virtual Board Meeting  
April 1, 2024 7:30 pm

1. The meeting was call to order by President Joe P. Seven members were present. Later one extra. Agenda was approved.
2. Budget report was given and approved.
3. O.C. Lakes Classification Advisory Committee was presented by Joe and supplemented by Jim.
4. Water Sample collection update by Scott and Joe.
5. Weed harvesting update and summer operations were presented and discussed by Joe.
6. Lake Water Level Fluctuations were presented by Joe, and Barb reported that water levels were down 2 feet.
7. O.C. Enhanced Wake resolution and the Mid Lake enhanced wake was presented by Mike Timmons with much discussion and clarification.
8. Mid Lake Comprehensive Plan implementation was discussed.
9. Open Discussion. Jim asked for feedback on an idea that Michelle S and Jim had talked about. Would it benefit the Lake District if testing was conducted to determine if the Lake contains PFAS? Much discussion and input given.

Note: These are preliminary notes taken by Jim Winkler and full minutes will be released at a later date.

Sincerely

Jim Winkler
