**Subject:** Crescent Lake District - County Representative Request

Good afternoon,

Dear Michelle & Tracy,

I am writing as the chairman of the newly formed Crescent Lake District. On behalf of the entire Crescent Lake District commissioners, we would like to request that Mr. Bob Thome continue to be assigned as the county representative to our District Board. Bob has been a tremendous contributor and resource for our newly formed district. We would very much appreciate having his continued presence on our District Board of Commissioners. His business acumen, his knowledge of county government guidelines, and experience with other Lake Districts makes Bob a real asset to our group.

Thank you for your consideration of this request.

**Subject:** County Appointment to Crescent Lake District

Hi Michelle,

It is my understanding that committee appointments for county board supervisors is in the works. I am writing to encourage that Bob Thome continue as the Oneida County representative to the Crescent Lake District (CLD). I have attended a number of CLD Commissioner meetings and have found Bob to be very helpful at the meetings, and has developed insight into the needs and directions of the Crescent Lake District. As an Oneida County resident and CDL property owner I encourage Oneida County to appoint Bob to a 2 year term as County Representative to the Crescent Lake District.

Thank you for your time and consideration regarding this appointment.

**Subject:** County Representative for Squash Lake District

Tracy and Michele,

Because of Bob Mott's resignation from the county board, the Squash Lake District is in need of a replacement county representative to serve on our board. We have in the past worked with county board member, Bob Thome, and would like to make a request for Mr. Thome to be designated as our county representative. Mr. Thome has a good understanding of the issues facing Squash Lake and we have confidence in his abilities to serve as a resource for our board and lake district. Please forward this request to the appropriate county chairperson. Thank you for your help with this request.
