

## Bear Lake (BL) Protection & Rehabilitation District Report

As of April 26, 2022

- A special commissioner's meeting was held on April 26, 2022, at 6:00 p.m. via zoom.
- All commissioners were present, except Secretary Brian Schulz, who has resigned
- The 2022-point intercept lake study program and related WIDNR grant request was again discussed.
- The BL grant application has been turned down.
- After much discussion, the lake district will assume responsibility/cost for doing the PI study in 2022 and 2023.
- The total program cost is approximately \$15,000 which will be split and paid for in 2 fiscal years, in order to appropriately budget for the cost.
- Any adjustment in billing/payments will be discussed and adjusted at the annual meeting in August 2022.
- Next scheduled regular meeting 6-9-2022 at 6:00 p.m. via zoom.
- Commissioner's meeting adjourned

Respectfully,

Bob Thome
