RE: Approval of the Oneida County land and water resource management (LWRM) plan through December 31, 2029.

I am pleased to provide you with an order of approval for the Oneida County land and water resource management (LWRM) plan through December 31, 2029, contingent on a LWCB review in 2024.

This approval maintains your county's eligibility for funding from the department to continue to implement your LWRM plan. You will need to update your county work plan each year and file an annual report to remain eligible for department funds.

Please share this notice and a copy of the signed order approving your plan with Bob Mott, chair of your Conservation and UW-EX Education Committee. Our agency looks forward to assisting your county with the plan's implementation.

Thank you.
