

WHO CAN ATTEND?

- Students entering grades 9, 10, 11, or 12 in the 2023-24 school year (must be 17 or under).
- Students interested in natural resources.
- Students who just like being outdoors!

HIGHLIGHTS

- Lake Research
- Forest and wildlife biology
- Nature hikes and canoeing
- Team-building exercises
- Exposure to careers in natural resources
- Fishing, crafts, and lots of fun

Make new friends! Camp gives you the chance to meet new people. Your guides during camp are working conservation professionals from across Wisconsin. Meet them and other campers from around the state!

Camp will challenge you in new ways! Experience conservation problem-solving, a wilderness canoe trip, wildlife ecology, and much more.

HIGH SCHOOL CONSERVATION CAMP

June 19 - June 22, 2023
(Monday-Thursday)

at

North Lakeland
Discovery Center

215 County Hwy W
Manitowish Waters, WI

NORTH LAKELAND DISCOVERY CENTER

The North Lakeland Discovery Center is a place where people come to connect to the natural world. The beautifully remote location in the Wisconsin Northwoods is surrounded by water and forests, and yet accessible to all visitors.

For more information, visit:
www.discoverycenter.net

92 miles north of Wausau
160 miles northeast of Eau Claire
95 miles west of Florence
