

Crescent Lake District (CLD) Report

As of October 4, 2022

- A Commissioner's Meeting was held via zoom, at 6:00 p.m.
- All commissioners were present, plus Terry Goldbach, CLD AIS Response Team Coordinator
- Public comment – a request for the district to investigate a 'pontoon etiquette training' program
- The meeting agenda and previous meeting minutes reviewed and approved.
- Chairman Kilgore had no report.
- Treasurer reported that checkbook balance \$22,705.35. Financial reports will be sent to be audited this week
- Thome gave a short report – highlights include the County 2023 'ambulance' contract, the County broadband bonding project and the 2023 budget process
- Discussion regarding the agenda items and revolved around:
 - Reviewed the annual meeting – process and format
 - State of the budget process – Oneida County
 - Discussion of the summer 'lake treatment' program
 - Sodium road runoff
 - Oneida County Land & Water Grant Application
 - Clean boats clean waters 2023 grant
 - Pre-CLD grant document storage program
 - Larger Lake Survey
 - Investigation of whole lake treatment
 - Plant identification photos for website
 - Owner education
 - Volunteer opportunities
- The next meeting will be December 2022
- Meeting adjourned at 7:30 p.m.

Respectfully,

Bob Thome
