## Explore Wisconsin State Natural Areas!

The Wisconsin DNR's system of over 600 nature preserves protect the flora, fauna and native landscapes that define our state, from wildflower-studded prairies to towering old-growth forests, and from boggy wetlands to Great Lakes dunes. The dots on the map shown here represent the vast number of SNAs just waiting to be explored!

What are you waiting for?  
Go hike, paddle and discover Wisconsin's natural heritage at a State Natural Area today!

Find a State Natural Area near you at [dnr.wi.gov](http://dnr.wi.gov), search keyword: "SNA"
